1.4 Rationale

- Not given here as this is the focus of this module

1.5 Objectives

- Show the value of Delicious for a teacher and a CAT teacher in particular
- Use Delicious as a means of keeping bookmarks online
- Use Delicious for social bookmarking
- Not given here as this is the focus of this module

1.6 Learning support material

- Videos on how to join and use - http://etc.usf.edu/te_mac/movies/delicious.html[1]
- How to use to foster collaboration - http://www.anecdote.com.au/archives/2006/11/how_to_use_deli.html[2]
- Why use and how to use, list to podcast and watch video - http://docpam.blogspot.com/2007/07/delicious-social-networking.html[3]
- Comments about - http://newoldlibrarian.blogspot.com/2007/07/delicious_13.html[4]

1.7 Activities

Need to ...

- join Delicious
- go to www.delicious.com and then search for docpam and view my Delicious.

- Note the Notes on each URL
- See how many people have tagged that URL
- Go into and note the links of someone who has made a link to one of my links
-
  - collect and post URLs on topics that interest you in teaching CAT or doing research.
  - collect and post URLs of lesson plans for K-12 classes which teach or use the Mode, Mean, Median and Standard Deviation formulas in a spreadsheet
  - collect and post URLs of lesson plans for K-12 classes which teach or use Normalisation in a database
  - write at least 1 line in Notes describing the content / usefulness of the URLs.
  - clearly define the Tags
  - explore and join different people's network
  - investigate the validity and reliability of the URLs found on Delicious for teaching and research
  - join the network of docpam
  - post your Delicious URL to the discussion board
  - gain experience using Delicious with your learners in a teaching situation.
- Write a report for a journal of 5–10 pages in which you ...
  - describe the goal of Delicious, i.e. what is Delicious
  - describe the benefits of Delicious for teaching and research based on the literature
  - describe the benefits of using Delicious in a CAT classroom

[1] http://etc.usf.edu/te_mac/movies/delicious.html
