Ecotoxicologie

The course treat the following subjects: Biogeochemistry (having as sections: Biosphere; Biomass and biosphere; Elements migration; Circuit of substances in nature; Biogeochemical cycles; Biocenosis; Human ecology), Microbiology (having as sections: Microbiology and cellular biology; Chemical bonds; Cell biology; Genetics and genetic engineering; Industrial microbiology; Microbes ecology), Biochemistry (having as sections: Living cell chemistry; Biomolecules; Information circuit; Proteins; Lipids; Carbohydrates), Toxicology (having as sections: Immunology; Clinical immunology and microbiological diagnosis); Phytosanitary studies (having as sections: Aspects of public health; Pesticides agrochemistry; Pesticides chemistry; Physico-chemical properties of pesticides; Modern methods in structure-property-activity relationships; Using of pesticides in agriculture - applicative example; Biotechnologies and agriculture) and finally it has a romanian-english dictionary of technical terms on ecotoxicology subject.

About Connexions

Since 1999, Connexions has been pioneering a global system where anyone can create course materials and make them fully accessible and easily reusable free of charge. We are a Web-based authoring, teaching and learning environment open to anyone interested in education, including students, teachers, professors and lifelong learners. We connect ideas and facilitate educational communities.

Connexions's modular, interactive courses are in use worldwide by universities, community colleges, K-12 schools, distance learners, and lifelong learners. Connexions materials are in many languages, including English, Spanish, Chinese, Japanese, Italian, Vietnamese, French, Portuguese, and Thai. Connexions is part of an exciting new information distribution system that allows for **Print on Demand Books**. Connexions has partnered with innovative on-demand publisher QOOP to accelerate the delivery of printed course materials and textbooks into classrooms worldwide at lower prices than traditional academic publishers.
