#### MW-TELL

MW-TELL Project aims to improve Language Learning instruction by expanding the resources for teaching and learning in Vocational Education Training (VET). It intends to promote access to mobile-supported training services for the provision of on-demand Lifelong Language Learning, beyond time and place restrictions. Join the MW-TELL educational community and explore new ways of teaching and learning foreign languages! Also join the MW-TELL Social Network at http://mobile2learn.wall.fm/ in order to be informed about the project current developments.

### **About Connexions**

Since 1999, Connexions has been pioneering a global system where anyone can create course materials and make them fully accessible and easily reusable free of charge. We are a Web-based authoring, teaching and learning environment open to anyone interested in education, including students, teachers, professors and lifelong learners. We connect ideas and facilitate educational communities.

Connexions's modular, interactive courses are in use worldwide by universities, community colleges, K-12 schools, distance learners, and lifelong learners. Connexions materials are in many languages, including English, Spanish, Chinese, Japanese, Italian, Vietnamese, French, Portuguese, and Thai. Connexions is part of an exciting new information distribution system that allows for **Print on Demand Books**. Connexions has partnered with innovative on-demand publisher QOOP to accelerate the delivery of printed course materials and textbooks into classrooms worldwide at lower prices than traditional academic publishers.
