## Abstract

Biography of Jordan Mayo. Electrical engineering, Class of 2005, Rice University.

If I don't have my head buried in a book or in front of a computer screen, I'm probably doing something for ROTC. Originally from Houston, Texas, I am a junior Elec Major from Wiess College. I plan to graduate in May '05 and will then "donate" a significant portion of my life to the United States Navy. I enjoy camping, and reading, but most of all I'm a pretty boring person.
